Ceylon Whole Leaf Green Tea

\$5

This tea has an elegant appearance with long, well twisted leaf yielding a pleasantly mild liquor. A gentle brew, with a yellow infusion and a slight sweetness in its finish. Ideal with food or as a relaxing afternoon tea. Its slightly astringent, herbal character displays a touch of fruitiness and a clean finish.

Natural Ceylon Ginger Tea

\$5

A spicy, reviving Ceylon tea. Ginger has a pronounced sharp flavor and is prized in the East ayurveda as a digestive aid. The 'hot', throat warming character of ginger balances a bright, high grown Ceylon Tea to offer a deliciously refreshing spice tea. Natural Ginger Tea is a centuries old tradition in Ceylon, as a reviving, 'pick me up' brew.

Pure Chamomile Flowers

\$5

The daisy-like chamomile flower has an uplifting aroma reminiscent of apples. Chamomile is often enjoyed as a relaxing, naturally caffeine-free infusion before bedtime, with its soothing aroma and very delicate flavor.

Pure Peppermint Leaves

\$5

Savored as a refreshing beverage since Roman times, peppermint is naturally caffeine-free and ideally taken after a meal to aid digestion. The natural peppermint oil in the leaves impart a menthol aroma and a zest to the infusion of the leaf, making this a cooling and uplifting beverage. The infusion of peppermint leaves with a touch of honey is an ideal palate cleanser and effective in rehydration.
