Come out of your shell

At LIME you are invited to drop your robe, cares, guard and anything else that has been weighing you down. LIME is more than skin deep. We get right to the pulp, without ignoring the outer peel. Our team will treat you intuitively and individually, whether through our bespoke facials or unforgettable rituals.

## Anne Semonin at LIME Spa

“Because each skin is unique”, every Anne Semonin programme is customized and starts with a personal interview and a diagnosis of your skin. Your therapist will create your own “beauty prescription”, depending on the needs of your skin at that time, and your lifestyle.

The Anne Semonin treatment collection combines an ingenious blend of aromatic essential oils, trace elements and marine ingredients with the classic French touch and a holistic approach to treating the individual needs of your body and skin. Anne Semonin treatments are designed to be “tailor made” and will not only revitalize the skin, but energize and balance the mind and spirit, providing total relaxation.
